Learning About Lakes with—

MICHIGAN STATE UNIVERSITY | Extension
Center for Lakes and Streams

June 24 —Alpha Michigan Brewing Company, in conjunction with ICLSP, will host a night of lake and stream trivia with storytelling at 5 p.m. This event was so popular last year that people have asked for another chance to share lake tales and test their lake knowledge with Dr. Jo Latimore and Erick Elgin. Brats and non-alcoholic beverages will be provided by the Brewery and ICLSP. This is a family friendly event.

The Brewery is on the circle in Alpha.
Address: 303 E Center St, Alpha, MI 49902

June 25 —Dr. Jo Latimore and Erick Elgin* will guide participants on a plant identification adventure from 9:30–11:30 a.m. at the Sunset Lake boat launch. Bring water socks or water shoes to wade in the shallow water and learn how to identify the diverse plant life that exists in the lake. This event is aimed at explorers of all ages, from curious children to inquisitive grandparents. Sunset lake has restrooms, a playground area and a covered pavilion. Parking is available by taking Sunset Lake Road to either West Park or East Park drives.

Address: 159 E Park Dr, Iron River, MI 49935

*They will provide instruction for the *iNaturalist app* so you can participate in the **Aquatic Invasive Species Blitz** that will take place June 29–July 12.
