

Iron County Lakes and Streams Partnership Funding Application

The Iron County Lakes and Streams Partnership (LSP) is dedicated to:

- Educating individuals, groups, and associations regarding protection of water resources,
- Promoting cooperative actions aimed at prevention, detection, and reduction of invasive species,
- Maintaining, protecting and enhancing water resources, and
- Developing and maintaining a healthy, effective partnership.

Applications are considered, and funding awarded, on an ongoing basis. Provide the following information in your proposal. Email the completed application to:
iclakesandstreamspartnership@gmail.com.

Project Overview

Organization:

Project Title:

Contact Information including address, phone and email:

Summary of Project (one sentence):
